You'll never know dear how much I love you

Please don't take my sunshine away

The other night dear, as I lay sleeping
I dreamed I held you in my arms
But when I awoke, dear, I was mistaken
So I hung my head and I cried.

I'll always love you and make you happy,
If you will only say the same.
But if you leave me and love another,
You'll regret it all some day:

You told me once, dear, you really loved me
And no one else could come between.
But now you've left me and love another;
You have shattered all of my dreams:

In all my dreams, dear, you seem to leave me
When I awake my poor heart pains.
So when you come back and make me happy
I'll forgive you dear, I'll take all the blame.
